GET TO KNOW US BETTER!

Gosford Regional Community Services, with centres situated at Wyoming and Point Clare, has been a supporting member of the local community for almost 20 years! However, there are some aspects of our organisation of which you might not be aware. We look forward to meeting you!

DID YOU KNOW...?

- We do not work for Central Coast Council or any other government agency
- Our social enterprise programs provide funds for those in need
- Our lease with Central Coast Council at the Wyoming and Point Clare locations requires us to pay for all cleaning, maintenance, furniture and fittings
- We are a registered charity with gift deductible status
- Both our centres are available to hire for meetings, social events and family functions
- You are welcome to join the GRCS Association for a low annual fee. You can follow us on Facebook by searching '**Gosford Regional Community Services**'

If you would like to know more about our complete range of services, activities and upcoming events, please ask one of our helpful staff members for information or call us on **(02) 4323 7483**. You can also visit our website which you will find at gosfordcommunity.org.au

We will be more than happy to answer any questions you may have about GRCS!

Attention Multiple Sclerosis Carers!

Caring for someone with a chronic illness or disability can be deeply satisfying ... and deeply exhausting. Spouses and partners, family and friends can be drawn together more closely by their shared concerns and collaborative efforts. But caring for somebody can also be physically and emotionally debilitating. When one person in a family is affected by a chronic illness or disability, the other people live with it also. To keep your relationships healthy and balanced, it's important to make sure that - despite whatever changes the illness or disability may bring - you learn how to communicate and stay connected.

MS Australia can help. Does the person you are caring for have support co-ordination in their NDIS plan? The MS Society helps everyone, not just those with Multiple Sclerosis. We support all levels of disability and have a social worker who supports individuals with high and complex needs.

For more info visit ms.org.au/support-services/ms-support-coordination.aspx or call **MS Connect** on **1800 042 138** for your Central Coast NDIS Support Co-ordinator, Sarah Stephens.

DO YOU LOVE YOGA?

WARM UP WITH SOME CLASSES THIS WINTER!

Our good friends at **Helsom Wellbeing** will have two new yoga classes running at Wyoming Community Centre and Point Clare Community Hall starting in mid-August.

A **Gentle Yoga Class** will be held at Wyoming Community Centre each Wednesday from 8:30am to 9:30am starting 16th August. The class is also available at Point Clare each Friday from 9:30am to 10:30am starting 1st September. This low-intensity class is suitable for beginners and is a great way to start off your morning.

An **Adaptive Yoga Class** will be held at Point Clare Community Hall each Friday from 10:30am to 11:30am starting 1st September. This class is suitable for people with limited mobility. Practices can be modified and the use of props such as chairs, bolsters, straps and blocks enables students to position comfortably and safely into many postures. Prior to booking enquire upon eligibility.

Classes start at \$10. If you are considering taking up yoga, why not come along and try out one of our classes! For more information on availability or anything else call **Kristin** from **Helsom Wellbeing** on **0417 203 001**.

Note: No classes held during school holidays.

IT'S THAT TIME AGAIN ... GET HELP WITH YOUR TAX!

Do you need help lodging your tax return? You may be eligible for the Australian Tax Office's **Tax Help Program**.

Tax Help is a network of ATO trained and accredited volunteers who provide a free confidential service to assist people to complete their tax returns online using myTax.

Tax Help services will be available at Wyoming Community Centre every Tuesday from 9:30am to 2:30pm. Don't wait as this service is popular so bookings are essential!

Please contact Gosford Regional Community Services on **(02) 4323 7483** for eligibility information or to book an appointment.

AIMEE WELCH STAFF PROFILE

Now in her third year of a Primary Education degree at Newcastle University, Aimee has had quite an impact on our team in the year she has been an educator with us. Her calm, gentle manner has resonated with the children who love to be near her whether it's sitting at the craft table, shooting baskets on the court or playing a board game on the floor.

Her affinity for her chosen career is obvious and she is already displaying many of the skills of an excellent teacher. Aimee has so many great ideas for Vacation Care and they are always very popular with the children.

When not working or studying, Aimee plays touch football and organises youth groups for her local church.

VACATION CARE AT WYOMING COMMUNITY OSHC

The September school holidays are fast approaching and Vacation Care bookings are now open at Wyoming OSHC and filling quickly. We have another great program in store which is bound to keep the kids engaged and entertained during the upcoming school holiday period.

Bookings can be made by calling Gosford Regional Community Services on **(02) 4323 7483** or visit www.gosfordcommunity.org.au. We look forward to seeing the children. Book early or you might miss out!

Vacation Care Program

Our exciting and popular Vacation Care program is ready for the September / October school holidays. One of the highlights is a trip to the Wyong Art House to see the musical *Chitty Chitty Bang Bang*. We love the opportunity to take the children to see live theatre. We have two incursions booked – Circus Day where we'll learn how to juggle and ride a unicycle, and a Boot Camp incursion. We love to keep fit! In addition to all this, will be the ever popular Wheels Day, a Puppet Mania Day and a Tennis Day, plus a whole lot more!

If you are keen for your child to participate in these fun and engaging activities you'll need to fill out a booking form which you can get by either going to our website, collecting one from the Wyoming Community Centre or from OSCHC at OLR. Bookings open from 25th August. It's first-in-first-served so be quick getting your form in to us as we would not like for you to miss out.

To find out more about the Vacation Care and Before and After School Care programs offered by Wyoming OSCHC visit www.gosfordcommunity.org.au/families or contact us on **(02) 4323 7483** during business hours.

Your Children - Your Community

Thank you for your continued support of the Wyoming Out of School Hours Care and Vacation Care Programs. Due to the increased cost of hall hire and staff wages, it is necessary to raise fees so that our programs can remain viable and we are able to maintain our high standards of care. From 31st July, 2017 our fee structure has changed, as reflected in the table below. We have worked hard to limit the increases and to minimise the impact to families. If you have any questions regarding the new fees please contact Amanda on (02) 4323 7483 during business hours.

COMMUNITY GREENING

Gosford Regional Community Services is very proud of our commitment to the Environment. We are passionate about protecting the natural environment and maximising learning opportunities for our community with workshops and open days, work experience, student placements and more. Our major projects include the North Gosford Wyoming Community Garden, the Wingello Creek Tributary Regeneration Project and the Gosford Community Sustainability Project.

Our Community Garden was the Winner of the Best Waterwise Garden award in the 2015 Gosford City Garden Competition and hosts regular workshops and open days for members of the community. Garden beds are made available to members of the public for a small annual fee and we provide assistance and support. We run a wide range of classes and workshops covering all aspects of natural gardening techniques.

Our Sustainability Project kicked off in 2016 with workshops and a drop-in centre. This project is all about reusing existing materials and reducing the amount of waste that goes to landfill.

If you would like to get involved with our Community Garden or to find out about upcoming workshops and events, please contact Gosford Regional Community Services on **(02) 4323 7483**.
